### 2 Find and circle all the intensifiers in the paragraph.

The other day we went to a new amusement park. It was incredibly fun. It had some extremely high rollercoasters and so many mechanical attractions we couldn't ride on all of them. One of the most impressive rollercoasters was the *Superhero*. The top was extraordinarily high and the view from the top was astoundingly breathtaking. You could see the whole city. I loved that ride. Unfortunately, just when we were going to ride the water attractions, the day became too cloudy, and it soon began to rain very hard. We decided to take cover in a hamburger diner. There, we ate some terrifically delicious burgers. Luckily, the rain passed while we were eating. So, we enjoyed the rest of an incredibly sunny day.
